

Wichinox - Cleaning / Passivating - 250 ml

Part #9605

Description

Wichinox is now available under a new formula (gel). As the original version, Wichinox remains a cleaning and passivating product to be used on marine stainless steel as well as on industrial applications.

Its gel formula makes it easy to apply, even in places that are hard to access.

The 250 ml bottle complies with latest regulations (REACH) with safety cap and a special tag for visually impaired people. Wichinox is manufactured in France.
